

## Little Christine Geir

Síðan fyrst ég sá þig hér,  
sólskin þarf ég minna.  
Gegnum lífið lýsir mér  
ljósið augna þinna.

Since the first I saw you here  
My need for sunlight dwindled.  
The light for my life's path is by,  
The light in your eyes kindled.

(Translated by Magnus Olafson)

Anna Geir was a widow with five young children. When K. N. arrived in Pembina County, he was searching for work. He was informed about the family's situation and the rest is history.
